## **DETAILED ACTION**

### ***Response to Amendment***

The rejection of claims 1, 3, 8, 10, 12, 13, and 15 under 35 USC 112, second paragraph has been overcome.

It was previously indicated that claims 4-6, 9, 11, and 16 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. This indication is hereby withdrawn. Applicant will note that consequently, this action has not been made final.

### ***Claim Rejections - 35 USC § 102***

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1-4 and 7 are rejected under 35 U.S.C. 102(b) as being anticipated by Dreier et al. (P.N. 5,601,543).

Dreier discloses an absorbent article containing an absorbent body having front and rear waist portions, a top and bottom portion, a crotch portion, a pair of spaced apart leg openings, a means for fastening the article to the body of a wearer (Fig. 1), and an elasticized barrier layer having an edge secured to the absorbent body, and another edge overlying at least a part of the top portion of the absorbent core member

Art Unit: 3761

(see Examiner's notes above Fig. 2), this barrier layer forming an enclosure between itself and the segment of the top portion of the absorbent core member (see the notes below Fig. 2).

Regarding claims 2 and 4, see Fig. 2, ref. numbers 176 and 174.

Regarding claim 3, see Fig. 1 and column 3, lines 58-61.

### ***Allowable Subject Matter***

Claims 5-6 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claims 8-13 and 15-16 are allowed.

### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul Shanoski whose telephone number is (703) 305-0560. The examiner can normally be reached on M-F, 7:30-4.
